## WORK EXPERIENCE

Remitly, Seattle, WA

Visual Designer on Creative Team

2018 - Current

Designed and delivered digital work for paid ads (static, motion), landing pages, emails, organic social, print, internal, etc. Worked closely with Creative Director and Sr. Copywriter to refresh the look and feel of major Lifecycle and email-related content which in turn helped build the foundation for our current brand throughout our channels. Helped execute marketing campaigns from conception to completion with Creative team and stakeholders.
